

FRIENDS OF WARRANDYTE STATE PARK Inc. July/August 1995 Calendar.

1.00 pm. July 30th Sunday Family Day. Nursery Activities and Propagation.

We plan to have another of our Sundays at the Nursery so all those who never have the opportunity to get to a 'Thursday' can experience it all. The day will include, learning how to make cuttings, sow indigenous seed, and prick out seedlings and cuttings. (Cathy Willis will give a 'mini workshop'.) All the areas will be visited and the leaders will tell you what goes on and give you experience helping. Learn about our environmentally friendly Nursery, Frogland, the Coupe, Endeavour Bank. Carpet and mulch techniques of weed suppression and revegetation will be demonstrated (ideal for home use!) and all members will pot up a sample plant to take home! Bring a plate of something for afternoon tea in the Folly. Children can bring along yabby catching gear - yabby race to dam after. See you all.

Changes to the 1995 program.

Turn to Page 1 and note all these changes for the years activities.
